The proximity of our Academies is such that it lends itself to close and collaborative working.

At Ethos Academy Trust, we are committed to providing a top-class education and we put the needs of all of the young people within our community at the heart of what we do. Our staff are pivotal in this and also in recognising, achieving and bringing to life our vision and values.

As such, we are committed to providing our staff with high quality professional development which can be evidenced through a variety of channels. We have numerous examples of staff who have developed and progressed their careers with the Trust. We fully embrace the fact that if we invest in our staff and their futures, we will create an environment where staff are happy, inspired and ambitious, which in turn means that they are able to create positive, engaging and life changing learning experiences for young people.

Ethos Academy Trust is fully committed to supporting and enhancing the wellbeing and mental health of all stakeholders. Across the Trust there are regular opportunities for staff to come together outside of their normal working day in a social or other activity capacity.

As an employer, we are able to provide the following benefits to all members of staff:

- All employees have the opportunity to access a pension scheme.
- All employees have access to Healthline which includes 24/7 Employee Assistance Programme and services such as physio and counselling for employees and their dependants.

I started working for Ethos College around eight years ago, as a grade 7 Inclusion Worker. It was an immensely enjoyable and rewarding position. I loved the fact that I could support the social and emotional development of young people and have the ability to make a huge impact on their lives. I was inspired by our talented team and decided to combine my passion for science and education to train to become a qualified teacher. Ethos College supported me all the way and when a position became available, I applied and was so proud to take up the post of science teacher. Since then I have not looked back!! I am now working in a leadership position, helping to develop our offer to young people educated around the local authority. Working at Ethos College and being a part of the transformation of the lives of our young people is an absolute privilege.

**EMMA GANNON, TEACHER**

I was inspired to pursue a career with children who have SEMH needs through my experience of teaching music as an unqualified Teacher. I joined the Trust eleven years ago as an Inclusion Worker and was subsequently promoted to Senior Inclusion Worker, before being supported to secure a teaching qualification and, most recently, training to become a SENDCo. I am currently the Deputy SENDCo for Reach Academy. The Trust and management team within Reach Academy not only supported my ambition to become a fully qualified Teacher, they continue to offer opportunities for my ongoing personal and professional development.

**SARAH SIMMONDS, DEPUTY SENDCO - REACH ACADEMY**

During my 6 years of employment within Ethos Academy Trust, I have been supported to access a number of professional development opportunities. I gained my PGCE over a 2-year period and, after securing a teaching role two years ago, I am now a middle leader within Ethos College and currently undertaking the NPQSL, in order to further enhance my leadership skills, understanding and practice

The Trust is committed to providing relevant and meaningful professional development opportunities to support the career progression of the staff team. I have always felt highly valued and supported by the Trust in everything that I do. It is an absolute privilege to work for a Trust that is so invested in supporting its staff to be the best that they can be and help to transform the lives of so many young people.
